## SENIOR LEADERSHIP & TEAM CHEMISTRY KEYS FOR TORERO SUCCESS IN 1999!

**Seamus McFadden**, who enters his 21st season directing the fortunes of the University of San Diego men's soccer program, returns thirteen players and seven starters from last year's squad that shared the West Coast Conference title with Gonzaga and advanced to the second round of the NCAA Tournament.

Despite losing the WCC Offensive Player of the Year in Leighton O'Brien, and the WCC scoring leader in Devin Ebright, the Toreros feel they have a solid nucleus of returners and quality class of newcomers that will again gun for the WCC title.

Coach McFadden, who earned his fifth WCC Coach of the Year honor in 1998, will have the luxury of six seniors in his starting line-up to provide leadership to the newcomers and give the Toreros a solid chemistry on the field. Three of the seniors were starters a year ago -- midfielders **Brian O'Connor** (2nd Team All-WCC) and **Antonio Gonzales** (game-winner vs. CS Fullerton in 1st round of NCAA's), and defender **Erin O'Connor**, a solid performer in the back. Two forwards back that missed last season with injuries - **Mike Marvil** and **Levi Parker**, will be counted on for offense. Senior newcomer **Matt Hall**, a transfer from San Diego State where he was a two-year team captain, is the projected starter in goal for the Toreros -- from nearby Vista, he's played club soccer over the years with the O'Connor brothers.

Additional starters back include junior **Miguel Suazo**, 20 starts at midfield; sophomore defender **Eric Van Demen**, a 1998 2nd Team All-WCC pick who started 21 matches; and sophomore midfielder **Mike Piserchio**, the team's top returning scorer with 11 points (2 goals, 7 assists). **Justin Neerhof**, a sophomore keeper who earned 10 starts (7-3 record) over the second half of last season, will compete for playing time with Hall. Torero returners that will be pushing for playing time include junior forward **Joel Armstrong**, junior defender **Paul Fisher**, sophomore midfielder **Duncan Woods** and sophomore defender **Tim Petrovic**.

Coach McFadden likes what he sees in his newcomers. A trio of sophomores have transferred in that will compete for playing time -- midfielder **Norman Gireaux** earned Division I playing experience at UC Irvine; forward **Tyler Conley** comes to USD from Rhode Island; and midfielder/forward **Ryan Coiner** started at Saddleback Community College. USD's freshman class includes forward **Sy Reeves**, defender **Garrett Turk**, defender **Aaron Tubbs**, defender **Alex Romagnolo** and keeper **Bradford Duttera**.

The Toreros hope to take advantage of opening the season with six home matches before they head on the road to two tournaments that will pit them against Notre Dame, Cal Berkeley, Cal State Fullerton and UC Irvine. They open up WCC play at home on October 8th with San Francisco, followed by three very tough WCC road contests at Santa Clara, Gonzaga and Portland. USD will then finish out the regular season slate with three home matches against UC San Diego, LMU and Saint Mary's.

If USD can stay healthy in 1999, they have the makings of a team that will gun for their 7th trip to the NCAA's in the '90's.

## HEAD COACH SEAMUS McFADDEN - 21st YEAR

With the recent success enjoyed by the Torero soccer teams the last few years — six NCAA Tournament appearances in nine seasons — it is easy to overlook the remarkable job Coach Séamus McFadden has done building the program from the ground up. McFadden has been named West Coast Conference Coach of the Year a record five times ('98, '95, '94, '92, '86); won three WCC championships; has coached four WCC Defensive Players of the Year, four WCC Offensive Players of the Year and two WCC Freshman Players of the Year.

McFadden arrived at USD in 1979 and fielded USD's first team in the fall of 1980. That same year he was quoted in the team's yearbook as saying: "I have no doubts that in the near future the University of San Diego will become a force to be reckoned with in Southern California intercollegiate soccer." How prophetic his words turned out to be.

The 1986 Toreros won 19 of 24 games. The 1990 squad, led by the first of McFadden's four All-Americans, dropped just three games the entire season and advanced to the NCAA Second Round. Those who know McFadden closely could see the writing on the wall many years earlier, when the Irishman led Mesa JC to a 30-4 record over two seasons while at the same time guiding Clairemont High to consecutive CIF-San Diego Section titles and the La Jolla Cup.

The whole puzzle came together in 1992 when McFadden had in place several of San Diego's best local talent. Student-athletes, who in the past had looked outside the city to showcase their talents, were suddenly arriving at Alcalá Park. The 1992 Toreros showed remarkable poise under their leader, compiling a 19-5 record and advancing to the NCAA Championship Game.

The 47-year old McFadden seems to save his best coaching for the big games. Twice the Toreros have marched onto UCLA's home turf and walked away with stunning upsets over the heavily-favored Bruins. In 1994, USD shutout No. 6 ranked N.C. State, 3-0, in front of a national cable television audience. Last season USD upset Cal State Fullerton, the No. 7 seed in the NCAA Tournament, at Titan Stadium in first round action. USD can boast of a .600 winning percentage in NCAA games under McFadden's direction.

McFadden played collegiately at San Diego State, where he received a B.A. degree in History in 1976. That same summer he was with the San Diego Jaws of the North American Soccer League.

Keeping true to his native roots, McFadden took the 1997 squad on a trip to his homeland Ireland during the summer for exhibition games against Ireland and Britain's elite.

A native of Donegal, Ireland, Séamus and his wife davette have two daughters (Hadley & Rorye) and a son (Conor). The McFaddens reside in Rancho Penasquitos.

**HARRY TWEEDIE - 9TH YEAR**

Assistant Coach Harry Tweedie returns for his ninth season at USD. A native of Belfast, Northern Ireland, Tweedie is a veteran of 16 years playing in many of his homeland's top leagues.

Tweedie immigrated to the U.S. in 1970 and since has had an extensive background in coaching and player development in this country. He was head coach of the San Diego Villa Under 19 team which captured the McGuire Cup as National Champions in 1979 and 1980. He will assist Coach McFadden with practice and game preparations, scouting and player evaluation.

**TOMMY TATE - 3RD YEAR**

Assistant Coach Tommy Tate returns for his third season coaching the Torero goalies. No stranger to USD, he played four years for Coach McFadden between 1990-1994. He recorded 17 shutouts during his career and finished with a 37-14-5 record as the starting keeper. He recorded 16 wins and 9 shutouts as a freshman and went 13-4 during his senior campaign.

A 1995 graduate of USD with a B.A. in History, Tommy also assists the USD women's goalies; coaches two San Diego Surf club teams (U-17 boys and U-8 boys); and the past six years has served as an assistant coach for the boy's team at the University of San Diego High School.

He is in his second year as a goalie for the San Diego Flash professional minor league team that plays in the A-League Western Division.

**CHUGGER ADAIR - 2ND YEAR**

Chugger Adair is in his second season assisting the Torero men's soccer program. He is no stranger to USD soccer having played three years for Coach McFadden between 1990-92. As a sophomore, his first year at USD, he scored 25 points (8 goals, 9 assists) in leading USD to a 16-3-5 mark and the NCAA's. Injuries slowed his junior campaign, however, he came back strong in 1992, scoring 16 goals and leading the Toreros to a 19-5 mark and the NCAA championship game against Virginia. In 1992 he was a Third Team NSCAA All-American; All-Far West Region 2nd Team; and the WCC Offensive Player of the Year. Adair has played both professional indoor and outdoor soccer since graduating from USD; he currently plays for the San Diego Flash professional minor league team that competes in the A-League Western Division. A '93 USD graduate, he also earned his MBA from USD in 1996.

**ROLAND WEISHEIT - 1ST YEAR**

Roland Weisheit enters his first year as a undergraduate assistant for the Toreros while he finishes up his degree in Communications. Roland played for the Toreros the past two seasons, starting both years at defender. This past season he was team captain for the Toreros.

Selected Honorable Mention All-West Coast Conference, Roland started all 21 matches for the Torero team that won the West Coast Conference title and advanced to the second round of the NCAA Tournament.

From Wolfsburg, Germany, he prepped at nearby Valhalla High School where he participated in both soccer and tennis.

## USD SOCCER NETS PRO SUCCESS

(left to right): Jamie Munro '99, Chugger Adair '93, Tom Tate '95, Kevin Legg '95.

For a small group of former USD men's soccer players, championship seasons have become the norm since graduation.

Chugger Adair '93, Tom Tate '95 and Kevin Legg '95 were part of the 1992 West Coast Conference championship team at USD that made a spectacular run through the NCAA playoffs before losing to top-ranked Virginia in the title game. Today, the trio is back together in an effort to lead the San Diego Flash professional minor league team to a second straight A-League Western Division crown.

"It's kind of amazing, really, that we're all together like this again," says Tate, a second-year goalie. "It says a lot about the level at USD."

Joining the trio with the Flash this year is Jamie Munro '99, a star defender. All four USD players have contributed mightily in several key wins, though only Legg and Munro start. The 6-foot-5 Adair provides an offensive boost off the bench and Tate has shared the goalie duties for a team that has limited opponents to just 1.5 goals a match.

Three USD alumni also play for Major League Soccer, the highest level of soccer in North America: Goalie Scott Garlick '94 and forward Guillermo Jara '96 play for the Tampa Bay Mutiny, and Leighton O'Brien '99 is with the San Jose Clash.

"We've had a top program for most of the '90's," says USD men's coach Seamus McFadden, when asked about the number of his former players in the pro ranks. "So in that sense, it's kind of natural. We've had a good run and we're attracting some top players."

# The University of San Diego

## SETTING

The University of San Diego is an independent Catholic institution of higher education. Founded in 1949, USD is located on 180 acres overlooking Mission Bay, San Diego Harbor and the Pacific Ocean. The campus is named Alcalá Park and is located just 10 minutes from downtown San Diego. The campus was named after a Spanish village near Madrid - Alcalá de Henares. Founded by the Greeks as Complutum, the village was later renamed Al Kala (the Castle) by the Moslems. Christians recaptured the village centuries later and founded a university whose buildings became the inspiration for USD's architectural style.

## THE CAMPUS

The USD campus is regarded as one of the most architecturally unique institutions in the country, featuring 18 major buildings designed in an ornamental 16th century Spanish Renaissance style. Since 1984, USD has completed eleven major construction and expansion projects. A five-story, Spanish Renaissance parking garage (1,100 spaces) was completed in 1998. A landscaped fountain plaza was finished in the fall of 1995, connecting the entrances of the Immaculata and Hughes Administration Center. In 1992, the university completed the 45,000 square foot Loma Hall, which includes an expanded bookstore, a larger mail center, classrooms and laboratories. In 1990, the renovated Katherine M. and George M. Pardee Jr. Legal Research Center opened, a facility that offers the latest in information technology.

tutoring, senior citizen outreach, and house building in Tijuana. The intramural program is also an integral part of student life at USD with over two-thirds of the USD community partaking in intramural sports.

## ATHLETICS

The University of San Diego is a member of the West Coast Conference for nearly all sports and competes in 16 intercollegiate sports on the NCAA Division I level. The football team is in its seventh year in the Pioneer Football League and the NCAA I-AA level. Women's sports include: basketball, crew, cross country, soccer, softball, swimming, tennis and volleyball. Men's sports include: baseball, basketball, crew, cross country, golf, football, soccer and tennis. Since 1990 USD teams have won seven conference championships; made 20 post-season appearances; had nineteen Conference Coaches of the Year; sixteen Conference Players of the Year; eleven Conference Freshman of the Year; three WCC Scholar Athletes of the Year; and 21 NCAA All-Americans. This past year, Zuzana Lesenarova, a junior on the women's tennis team, became the school's first ever Division I national champion by winning the 1999 NCAA Women's Tennis Singles Championship. The USD men's soccer team in the 1990's has advanced to the NCAA Tournament six times, including a runner-up finish at the 1992 NCAA Soccer Championships.

## ACADEMICS

USD enrolls more than 6,800 students who have a choice of more than 50 undergraduate and graduate degree programs. The university's academic units include the College of Arts and Sciences, and the Schools of Business Administration, Education, Law and Nursing. Class size generally averages between 18-25 students with the student to teacher ratio being 18:1. Over 97 percent of USD's full-time faculty hold doctorates.

In the annual ratings of the country's colleges and universities, published by *U.S. News & World Report*, USD moved from the regional to national category in 1994. The university is ranked among the top 100 schools in the nation.

## STUDENT LIFE

Student activities include cultural events, dances, boat cruises, beach parties, BBQ's, concerts, comedy nights, symposia and much more. Students participate in a wide range of volunteer projects such as adult literacy

## DID YOU KNOW ?

◆ With a donation of \$7 million by Sid and Jenny Craig, USD received the lead gift necessary to proceed with planning its much needed \$17.5 million Sports/Activities Center, the Jenny Craig Pavilion (JCP). The pavilion, which will be located at the eastern end of campus between Torero Stadium and Cunningham Baseball Stadium, will include a 5,000 seat gymnasium, coaches offices, fitness center and athletic training facilities, showers and locker rooms, concession stand and reception room. The Chet Pagni Athletic Hall of Fame will also be housed in the facility. Construction of the JCP should be completed in the Fall of 2000.
